Hi Bethany,

Apple Scrapple is right around the corner.

Attached is the Bridgeville Library's request for our Hometown Carnival Night to be held the Thursday before the festival.

This year, we are requesting approval to set up on the barricaded street until 7:30pm.

Library staff would have crafts and information to hand out. Additionally, we are requesting the Sussex County Bookmobile to join us. Please let me know if you need any more information, I have included the signed contract and COI.

Thank you for everything,

Karen J Johnson-Kemp
Director
Bridgeville Public Library
302-337-7401 ext. 107
